

# LET'S BRING THEM Home

## Religions of the Assumption Communities

The Religious of the Assumption (ra) in San Lorenzo comprise two communities. The Emmaus Community is a welcome community and home to many of our elderly sisters. Thirteen sisters belong to the Emmaus Community. The CANA community is the school community and works closely with the students. Nine sisters belong to CANA.

**CANA COMMUNITY**

**EMMAUS COMMUNITY**

Both communities live in a home that has not been renovated for over 20 years. This year, their home needs to undergo significant renovations for medical facility upgrades and to repair extensive damage due to severe termite infestation.

The Emmaus community had to seek temporary shelter on the 4th floor of the PCFC building. Likewise, the Cana community moved to the school dormitory facility for the duration of the renovation. Their new home will provide for our sisters' growing needs and medical issues, young and old.

### How can you help?

Please help us bring them home by donating a tile or more to complete the much needed renovations. A tile costs 18,000 pesos.

Construction is scheduled to begin in June 2023 and is expected to be completed in a year.

Will you make a gift to support this project so we can bring our sisters home?
